

Protect yourself and your vehicle investment with GAP Protection.

You could lose more than your vehicle if it is declared a total loss due to an accident or theft. You could lose your investment. In the early years of a vehicle loan, your loan balance could be higher than the actual cash value of your vehicle. Most insurance policies only cover the value of your vehicle, something that rapidly declines during the first few years of ownership. With this protection, you can cover the “gap” between the value of your vehicle and the amount you might still owe.

Example:*

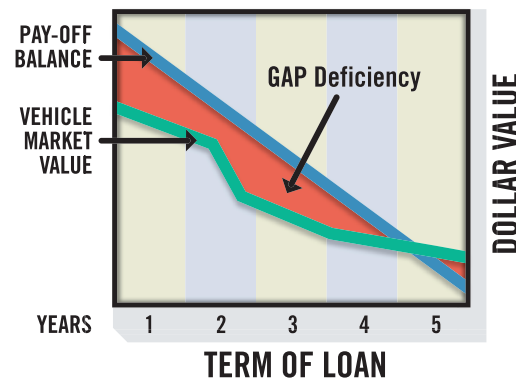

Balance you owe on your automobile loan **\$25,000**

Actual cash value or insurance company settlement **\$20,000**

Balance due before you can purchase a replacement vehicle: **\$5,000**

*GAP Protection will waive the **\$5,000!***

** This may or may not represent your actual experience.*

Benefits of GAP Protection:

up to **\$50,000**
in benefits including:

up to **\$1,000**
deductible coverage

up to **\$50,000**
of the outstanding balance or your loan
if your vehicle is declared a total loss
